RE: Commodore Semiconductor Group Site, Norristown, PA

Dear Ms. Billings:

This letter is to confirm our conversation on April 6, 1988, requesting an extension until May 20, 1988 to comply with the Environmental Protection Agency (EPA) request for information on hazardous substances at our facility.

This additional time is necessary in order for us to gather all the documentation the EPA has requested. If you have any questions or if I can be of further assistance, please contact me at (215) 666-4720.

Thank you for your cooperation in granting this request.

Sincerely,

*Thomas A. Ficca*
